

## *-ENGLISH-* **YALA NATIONAL PARK**

It will take you an hour and a half from the Beach Villa Lanka to get to the Yala National Park with minivan that has air conditioning. Along the road you will enjoy many colourful villages and paddy fields.

The Yala National park is one of the oldest national parks in Sri Lanka and the largest too (1,572 square kilometers).

Yala Park is open every day from 6 a.m. to 6 p.m. You are not allowed to enter the park with your private (hired) car. Around the park entrance are many shops that will rent land rover jeeps with a driver. The Yala Park has the highest density of leopards of all parks in Sri Lanka, so there is a good chance to spot one.

Of course there are also elephants, water buffalos, different kind of deer, sloth bears, monkeys and many big birds and crocodiles.
