MULKIRIGALA TEMPEL

This Buddhist temple is one of the oldest temples in Sri Lanka and is located high elevated on a rock. From the top of the rock you have a wonderful view all around; in the distance you even can see the sea. We highly recommend to go there by a Tuk Tuk. The ride takes about one hour and leads thru paddy fields with water buffalos and pure nature.

On the way to or back from the temple you can stop at the small town of Tangalle. On Wednesday and on Sundays there is a big colorful local market worth a visit.
